- Helping kids learn new skills and the rules of football
- Providing an easy way for kids to engage in football and feel accomplished

"Our school received the NFL FLAG Football kit this year. We divided our students into 12 teams. Each team is being coached by a teacher or faculty member of our school. The students play after school on Wednesdays and Thursdays. At this time, our teams are participating in a double elimination tournament. This has created an exciting, enthusiastic, and competitive atmosphere at our school."
