

# NFL FLAG-In-School

Atlanta Falcons Market Report

The NFL FLAG-In-School Program started in 2014

- Developed by GENYOUth as a solution to the physical inactivity crisis
- Supports **Physical Education (PE) Teachers**
- Reaches a new population of potential players, namely **girls and young children who have never played football!**

The program provides NFL FLAG-In-Schools Kits, valued at \$:

- Equipment: To replace outdated or non-existing equipment
- Curriculum: [High-quality resource developed by SHAPE America](#)
- Watch NFL Legend Lorenzo Alexander walk through [FIS drills](#)

NFL FLAG-In-School receives high ratings on almost every measure and is especially strong on:

- Providing an opportunity for competition
- Helping kids learn new skills and the rules of football
- Providing an easy way for kids to engage in football and feel accomplished

"The students have really enjoyed participating in various activities outlined in the Flag Football curriculum provided by Fuel Up to Play 60. This is great tool for teaching skills by following a progression of fun and engaging activities."
