"Students at East Salisbury participated in their first practice in our Flag Football Club. This club features 4 after school teams that participate in a healthy snack after school, team practice and a game once a week. Students were excited to meet and greet one another and form their teams. They got to choose team names, colors, and cheers all for their team. Students also have to complete a 'create your own play' design to implement next week at practice. We are very excited about our club at East Salisbury:) Thank you so much for the flags that made this happen. "
