- Providing an easy way for kids to engage in football and feel accomplished

"This year I received a NFL FLAG Football kit from FUTP 60 and the program was a great success! Using the kit, the students learned a variety of lessons like throwing and catching and even kicking and punting. We practiced twice a week after school. The children couldn't wait until after school to get to practice. I have seen an increase in their aerobic capacity and I think that this program along with other clubs had a lot to do with it. Thank you Fuel Up to Play 60!"
