

NFL FLAG-In-School

Detroit Lions Market Report

The NFL FLAG-In-School Program started in 2014

- · Developed by GENYOUth as a solution to the physical inactivity crisis
- · Supports Physical Education (PE) Teachers
- Reaches a new population of potential players, namely girls and young children who have never played football!

The program provides NFL FLAG-In-Schools Kits, valued at \$440:

- · Equipment: To replace outdated or non-existing equipment
- Curriculum: High-quality resource developed by SHAPE America
- Watch NFL Legend Lorenzo Alexander walk through FIS drills

Drummond Island Elementary, MI

NFL FLAG-In-School receives high ratings on almost every measure and is especially strong on:

- · Providing an opportunity for competition
- Helping kids learn new skills and the rules of football
- Providing an easy way for kids to engage in football and feel accomplished

"We have been so excited to use our Flag Football kit since we got it. Our Fuel Up to Play 60 kids have organized the students in our school and got them excited about playing Flag Football at recess and also during gym time. We love that it comes with a curriculum guide and the students have used this as well as the teachers to make it impactful for the school day."
