The program provides NFL FLAG-In-Schools Kits, valued at \$410:

- Equipment: To replace outdated or non-existing equipment
- Curriculum: [High-quality resource developed by SHAPE America](#)
- Watch NFL Legend Lorenzo Alexander walk through [FIS drills](#)

NFL FLAG-In-School receives high ratings on almost every measure and is especially strong on:

- Providing an opportunity for competition
- Helping kids learn new skills and the rules of football
- Providing an easy way for kids to engage in football and feel accomplished

"This year we wanted to switch things up by adding the FUTP Flag Football curriculum as one of our units. It truly is amazing to see the change in the activity levels of our boys as they are eager to get through their warm-up and stretching drills in order to get outside to continue their games from the previous day."
