The program provides NFL FLAG-In-Schools Kits, valued at \$410:

- Equipment: To replace outdated or non-existing equipment
- Curriculum: [High-quality resource developed by SHAPE America](#)
- Watch NFL Legend Lorenzo Alexander walk through [FIS drills](#)

NFL FLAG-In-School receives high ratings on almost every measure and is especially strong on:

- Providing an opportunity for competition
- Helping kids learn new skills and the rules of football
- Providing an easy way for kids to engage in football and feel accomplished

"We have introduced NFL Flag Football into our PE classes. Our students have really taken to it and have created their own league. We started off with four teams, but as the year went by we had to add three more. It has everyone talking on campus and has gotten our faculty involved too. We expect to have eight teams by the end of the year and will continue to find ways to expand. Thanks Fuel Up!"
