

NFL FLAG-In-School

Philadelphia Eagles Market Report

The NFL FLAG-In-School Program started in 2014

- Developed by GENYOUth as a solution to the physical inactivity crisis
- Supports Physical Education (PE) Teachers
- Reaches a new population of potential players, namely girls and young children who have never played football!

The program provides NFL FLAG-In-Schools Kits, valued at \$410:

- Equipment: To replace outdated or non-existing equipment
- Curriculum: High-quality resource developed by SHAPE America
- Watch NFL Legend Lorenzo Alexander walk through FIS drills

NFL FLAG-In-School receives high ratings on almost every measure and is especially strong on:

- · Providing an opportunity for competition
- · Helping kids learn new skills and the rules of football
- Providing an easy way for kids to engage in football and feel accomplished

"It was a good motivator for those students who need some encouragement to be successful in school. It also allowed students who never had the opportunity to play to experience the sport and have fun."
