Frontier Middle School, WA

NFL FLAG-In-School receives high ratings on almost every measure and is especially strong on:

- Providing an opportunity for competition
- Helping kids learn new skills and the rules of football
- Providing an easy way for kids to engage in football and feel accomplished

"When I have girls that say, "I can actually throw a football" or "wait 'til my dad sees me throw this football - he's never going to believe", those successful moments add up... your kids come back and want to play after school. They want to play outside of just your Phys Ed class"
